BUSINESS MANAGER.
The Leader Publishing Company has been fortunate in securing the services of Mr. J. M. Williams, who will occupy the position of business manager, and who will assume charge of this department in the near future. For several years Mr. Williams has occupied the important and responsible place of Superintendent of the Western Union Telegraph Company's office at this place, and he is well equipped for his new field of work.
Savings bank figures speak volumes against the candidacy of Mr. Bryan.

When Aguinaldo hears of the Republican victory next Tuesday he will throw up the sponge.
The tidal wave headed against Bryan is so strong that he will never be able to get into the swim.

In the case of Shannon McCurdy vs. the Keystone Oil and Gas Co., Sheriff McCallister was appointed receiver.

There's something particularly apropos in the idea that Mr. Bryan should be touring the country in the private car "Rambler."

It is noticed that the man whom Mr. Bryan carries along to ask questions from the crowd singularly omits reference to North Carolina.

Thursday, November 29th, has been designated by President McKinley as a day for general Thanksgiving. The President's proclamation is published in this paper.

The earthquake that visited Caracas a few days ago wasn't a circumstance to the shake-up Mr. Ellenwood will receive at the hands of the voters of the Fifteenth Congressional District next Tuesday.

But a few days of the campaign remain, yet if Mr. Ellenwood gets a move on himself he has time to express to the people of the Fifteenth District his views on the Kansas City platform. The columns of the Leader are at his disposal for such purpose.

The time for roorbacks is at hand. In the closing days of a great presidential contest we may expect to hear all sorts of desperate stories concerning candidates and parties. But the intelligence and fairness of the great body of voters will not listen to ridiculous tales in the closing hours of the fight.

EMBEZZLEMENT CHARGE

Is Placed Against the Manager of a Brewery.

By Associated Press.
New York, Oct. 31.—Frederick D. Yuengling, the son of the brewer, had a hearing before United States Commissioner Alexander today on complaint made by the British Consul General, charging him with embezzlement in Roseland, B. C., and asking for his extradition. Young Yuengling was arrested about three weeks ago on complaint of the Lion Brewing Co., at Roseland, charging him with having embezzled from the company \$387. He was general manager of the company in Roseland.

TOWNS DESTROYED

By the Earthquake in Venezuela, South America.

By Associated Press.
Caracas, Venezuela, Oct. 31.—Further details regarding the earthquake Monday show that San Casimiro, Cua and Charrallano were entirely destroyed. The islet at the mouth of the Neviri river disappeared. At Tacarigua, Brochico and Curiepe the damage was considerable. Many are dead and injured. Railroad and telephonic service between Caramaro and Rio Chico is interrupted.

MONEY MADE

By Dealing Directly With the Railroad Companies.

By Associated Press.
Washington, D. C., Oct. 31.—The Indian Bureau finds that the new system of transporting Indians supplies by dealing directly with the railroads, instead of through contractors, has effected a saving of twenty per cent, or \$40,000, in transportation expenses in the last fiscal year. Heretofore the railroads have refrained from bidding for transportation contracts and private contractors have received large profits.

Cabinet Officers.

By Associated Press.
London, Oct. 31.—The Standard learns that Lord Selborne, under Secretary of State for the colonies, and William St. Boderick, under Secretary of State for foreign affairs will enter the cabinet, and that Charles Thompson Ritchie, president of the Board of Trade, will be given a higher post.

Going to China.

By Associated Press.
Norfolk, Va., Oct. 31.—The gunboat Annapolis went into commission at Norfolk navy yard today and will shortly sail for a China station, whither she has been ordered. The Frolic will probably accompany her.

Ofis Confers.

By Associated Press.
Washington, D. C., Oct. 31.—Major General Otis was at the War Department today in conference with officials regarding military matters, including his new duties, in command of the Department of the Lakes at Chicago.

Republican Meetings.

Republican meetings have been announced by the Washington County Republican Executive Committee as follows:
Hon. L. S. Ebright at Bartlett Thursday afternoon, November 1.
Hon. L. S. Ebright at Vincent Thursday evening, November 1.
Hon. L. S. Ebright and H. V. Speelman at Macksburg Friday evening, November 2.

A Newark, N. J., merchant who began business in a small way and now has a vast establishment, declares that "steady, common sense advertising in the newspapers will pay, and always has paid. The fact that a merchant's concern is not of the big class should not deter him from putting all the money he can into newspaper advertising, as he can't tell what his possibilities are until he has done that." If an advertisement in a newspaper of large circulation does not more than pay for itself it is because of some fault in the ad.

Senator Sullivan has been sued by a pretty Mississippi girl for breach of promise. Doubtless the Senator has been so accustomed to breaking promises made to his constituents that he thought he could do so without limit, but he has made a sad mistake by attempting to play such a trick on a woman.

I do not share in the apprehension felt by many as to the danger of governments being weakened or destroyed by reason of their extension of territory.—Ulysses S. Grant.

If Mr. Ellenwood has the courage of his convictions he will come squarely out and tell the people as to whether or not he is in sympathy with the platform of the party that nominated him.

RECEPTION

Given at Hutchison's Bargain Store—Its Twelfth Anniversary.

In order to celebrate the twelfth anniversary of the opening of Hutchison's Bargain Store, a reception was given at the store last evening to which all were invited. The reception commenced at 6:30 in the evening, and the finely dressed store rooms were soon filled with visitors. As one entered the store the eye was first greeted with a most artistic display of dress goods, trimmings, etc. On a brightly colored arch near the main entrance was the inscription, "Our Twelfth Year."

The store now occupies three floors and covers a floor space of over 14,000 square feet. As one turned to the right on entering, the first display to be seen was that of dress goods with trimmings next adjoining. Then on the same side, came linens, woollens and domestics, a most complete line in splendid array. To the left of the main entrance one first saw a fine display of notions, then millinery, followed with jewelry, ribbons, laces, hosiery, underwear, stationery and books, a most excellent line.

While on the first floor we must not forget the grocery department. Here we find not only a fine line of whole-some foods, but toilet articles, patent medicines, hardware, tinware, wood-ware, granite-ware and cutlery.

We next go to the second floor where we first see a fine line of clothing and gent's furnishings of every description. In another room on the same floor we are reminded of winter when we see ladies' and misses' jackets, capes, suits, mackintoshes, skirts and furs. Then in the rear room are lamps, china-ware, glassware, clocks, silverware, stamped materials and art embroideries. The display of table ware is most elegant. We then went to the third floor which is by no means the least attractive. Here one sees an extensive stock of wall paper, window shades, lace curtains, portieres, drapery goods, baskets, toys, dolls, wagons, sewing machines, musical instruments, picture frames, carpets, rugs, oil cloths and matting.

These goods were all most tastefully arranged for the occasion and none but goods in stock were used.

Singer's orchestra was present, and helped to enliven the occasion with its music.

BRENNAN & MIDDLESWART.

New Law Partnership Formed Which Becomes Effective Today.

Today the firm of Brennan and Middleswart begins business as a law firm, the partnership having been made and entered into.

Both gentlemen of the new firm are well and favorably known in Marietta, both in a social and a professional way. Hon. Joseph C. Brennan is the popular prosecuting attorney of Washington county, and to which office he will be elected for a second term next Tuesday. Hon. C. C. Middleswart represents the county in the Ohio Legislature. Both are excellent gentlemen, and good lawyers, and we bespeak for them a good share of the legal business of our city and county. Their offices will be located in the Davis building, on Putnam street in the rooms heretofore occupied by Mr. Brennan.

Senior Club.

The Senior Club was pleasantly entertained by General and Mrs. A. J. Warner at their beautiful home on Butler street Tuesday night. Gen. Warner and Miss Woodbridge were the readers of the evening. The subject under discussion was the Chinese Question. The discussion was very interesting and entertaining. The club will meet with Hon. R. M. Stimson on the evening of November 13.

New Mail Wagon.

Mailcarrier Alcock is having a new wagon built by J. A. Oesterle & Co. It will be of the latest design used in cities and soon the historic vehicle, which seems almost a part of the historical implements which served the uses of early Marietta, will be supplanted by the new cart and will only be but a memory.

"A Hole in Ground."

A good audience witnessed this funny play at the Auditorium last night and enjoyed it to the fullest extent. Played by a good company and full of good specialties, singing and dancing, this is a show that cannot fail to please anyone so fortunate as to have witnessed it.

Weather Forecast.

Ohio and Indiana—Rain and cooler Thursday; Friday fair; fresh to brisk southeasterly winds becoming northwesterly.

West Virginia—Rain and cooler Thursday; Friday fair; southeasterly shifting to northwesterly winds.

JUST : FOUR : MINUTES

It took us Saturday to sell a man an Overcoat who had come from a certain clothing store where they had spent fully two hours trying to sell him a coat marked \$12.00 for \$7.50. The coat we sold him was marked \$7.50 and he paid us \$7.50, and our customer said he was sure our garment was worth at least \$2.00 more than the \$12.00 (?) coat shown him elsewhere. Isn't there a lesson in this for you? "Experience is a hard teacher" and if you buy any Clothing for Fall and Winter without seeing us, you'll do yourself and your pocketbook an injustice, for we know from our greatly increased sales this season that our goods and our prices are RIGHT, and that we are in position to laugh at all competition.

Plenty of dollars in sight for the man who looks for them in the right place—and that place is right here at "THE OLD RELIABLE!"

See what a splendid Overcoat we can sell you for \$10.00!

See what an elegant Suit you can buy of us for \$10.00!

Reduced prices on a big lot of Men's Trousers, Odd Coats, Underwear, Shirts, Hats, Caps, &c., &c.!

DID YOU EVER NOTICE

That if you want a really fine cigar, you must go to a good drug store to get it? This seems odd, perhaps, but it's so.
A good druggist has to be a particular man. He never takes any chances. He exercises the same skill in buying cigars as he exercises in buying drugs. He sells good cigars because he buys good cigars.
We make a specialty in this good drug store of the Roig cigar. It is sold for 5 cents, and is equal to many 10 cent grades, and actually better in some instances.
An especially delightful smoke is the 10 cent cigar.

FOR YOUR Fall and Winter Suit

CALL ON

W. A. JUDD,

MERCHANT TAILOR,

249 Second Street,

Opposite Union Depot.

"No, Thank You; No Ready-Made Clothes For Me,

Said a gentleman to us recently, "Have you ever worn a STEIN-BLOCH ready-to-wear Suit or Overcoat?" we asked him. "No," he said, but he added "all ready-to-wear clothes were alike to him." We were persistent; he was obliging.

He permitted us to show him one of the new STEIN-BLOCH Suits in the heathery mixture. He examined it carefully, the linings, the way the buttons were sewed on, the hand made collar and lapels; then he tried on his size, and said incredulously, "his is not a ready made Suit? these garments were custom tailored for some man who is just about my size."

We showed him THE STEIN-BLOCH CO., Wholesale Tailors, label under the collar on that particular coat and other in our store.

We fitted him perfectly with Coat, Vest and Trousers; also an Overcoat.

This was at the beginning of the season, and there is no better dressed man, nor a more enthusiastic one about STEIN-BLOCH Clothes, in this town to-day, than this very same gentleman. Won't you give us a chance to do the same for you?

Suits \$15 to \$25. Overcoats \$15 to \$40.
